Title: CATHETER WITH COMMON GUIDE WIRE AND INDICATOR LUMEN

Mail Stop AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §1.97(b)

Sir:

Applicant hereby submits a Supplemental Information Disclosure Statement as set forth on the attached form PTO/SB/08a.

On July 16, 2008 Applicant requested from the US Patent Office the document "Measurement of Blood Flow by Local Thermal Dilution; *Society, 20-21 March 1964*" as submitted in connection with US Application No. 10/079,006 filed February 20, 2002. On September 26, 2008, Applicant received in response to this request, a copy of the Information Disclosure

Statement (IDS) from US Application No. 10/079,006, wherein the IDS listed the requested document. However, the requested document was not provided.

Applicant has re-requested a copy of the document "Measurement of Blood Flow by Local Thermal Dilution; *Society, 20-21 March 1964*" from the US Patent Office as the document is located in the prosecution history of US Application No. 10/079,006. Upon receipt of the document "Measurement of Blood Flow by Local Thermal Dilution; *Society, 20-21 March 1964*" from the US Patent Office, Applicant will forward a copy of the document to the Examiner in connection with the present application.

As the present Statement is made prior to any action that closes prosecution in the application, the fee pursuant to §1.17(p) accompanies this submission. Should it be determined any additional fee is due, please charge any fees or credit any overpayments to Deposit Account No. 03-3875.

Dated: September 29, 2008

Respectfully submitted,

/Brian Shaw/
